

1. **ATTENDANCE:** Considering that the number of classes is small, it is important that children attend Religious Ed every week. Students are allowed no more than three (3) unexcused absences. Additional unexcused absences may prevent the student from moving on to the next grade level. Cases of severe illness will be handled on an individual basis. Please call in any absences to the Religious Ed. office at 617-244-0608. It is asked that if you need to dismiss your child early, a note be provided at the beginning of class. Please pick up your child in a timely manner.
2. **Mass Attendance:** The celebration of the Eucharist is the center of our Catholic faith life and beliefs. It is considered essential to your child's faith life that families attend mass on a regular basis with their children. This way the children will become familiar with the rhythm of our worship services and the sacrament of Holy Eucharist.
3. **COOPERATION & APPROPRIATE BEHAVIOR:** It is expected that an atmosphere of Christian respect among students and adults, for each other, themselves and property, will always be maintained. Disruptive behavior displayed by students cannot be tolerated. Parents will be informed immediately if their child begins to display inappropriate behavior. Repeated offenses may require a child be removed from the program. Parents are always welcome to attend classes as observers or classroom aides.
4. **Storm Cancellations** if classes need to be cancelled due to inclement weather, notice will be sent to WBZ (Channel 4), WCVB (Channel 5) and WHDH (Channel 7). During the weekday, classes will be cancelled if Newton schools are cancelled due to weather.

Each student has a set of goals among which are community service, yearly retreats, mass attendance and class participation. Specific details will be discussed at the first class meeting. Catholic school students must attend the second year (10th grade) and meet the various goals.

First Reconciliation & First Communion – Preparation for these sacraments begins in the first grade and the sacraments are celebrated in the second grade year. A separate program can be set up for older children who have not received these sacraments. There is a home component to each of these sacraments.
