

## CCSB RELIGIOUS EDUCATION PROGRAM

When a parish shares their faith with the children it keeps the parish alive! The Religious Education Program is looking for helpers for the 2011 – 2012 season. The usual calendar year is 24 weeks. Snow and other circumstances may shorten this time. Class time is 1 hour each session with the exception of Confirmation program (1 ½ hours). Team teaching is an option either both together in the classroom or every other week on your own. Please consider volunteering your God given talents and your faith with our children.
